Student Centered Planning

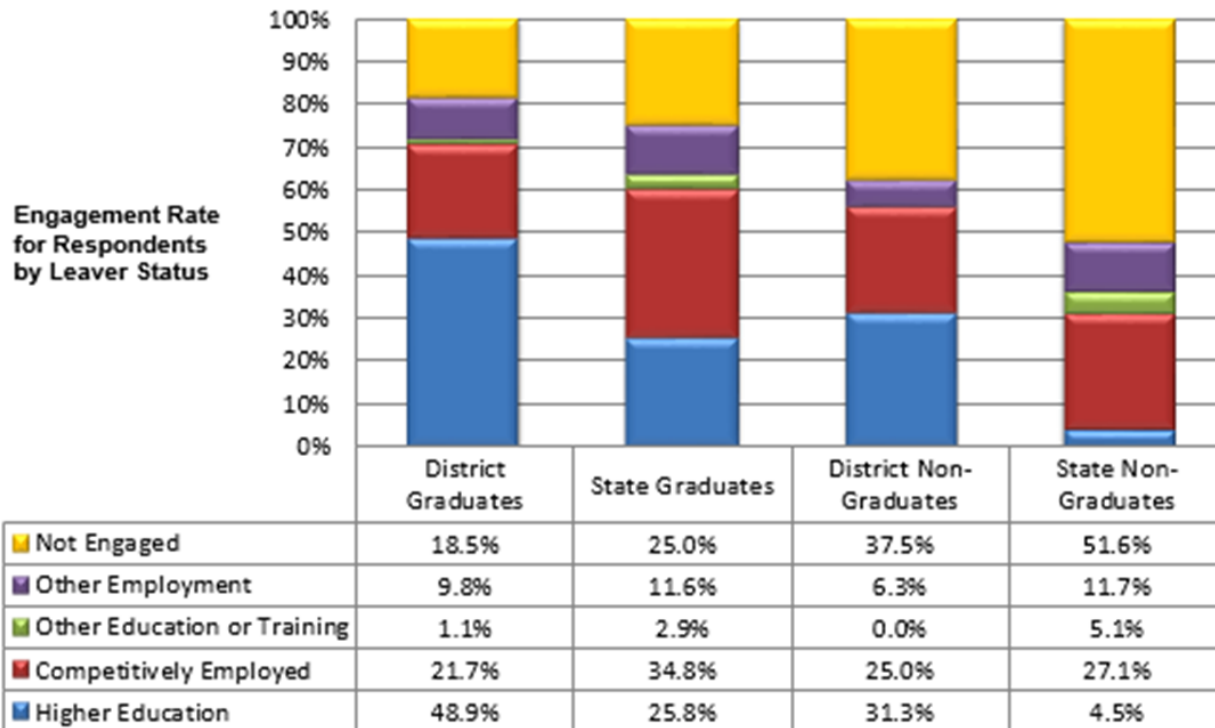

In the Bellevue School District

Align to Post-Secondary Planning

Bellevue

2014-2015 Post-School Outcomes for Students with IEPs:
Postsecondary Activities in the First Year after High School

These definitions are specific to the 2010 State Performance Plan for Individuals with Disabilities Education Improvement Act (IDEiA) Part B.

All Person-Centered Plans Take Into Consideration...

- ✓ Student history
- ✓ What the student finds engaging and enjoyable
- ✓ What strengths the student brings
- ✓ What works well for the student and what may not

Resources used in Bellevue School District

- Center for Change in Transition Services
- Employment Agencies and Partners
- Informing Families

We have a trained facilitator in the district, we have a plan to train more, and we partner with outside facilitators too ...if you are interested, just talk to the [special education supervisor](#) for your school.
