

Bellevue Special Needs PTA

### Bellevue Special Needs PTA 2021-2022 Membership Form

When you join the Bellevue Special Needs PTA you are joining a community of people who work together to enrich the learning environment and provide support to students with special needs and their families. Everyone is welcome to join. Students with special needs in the Bellevue School District are honorary members.

Donations go toward supporting advocacy, information sharing, special education training and resources. In the 2019-2020 school year the BSNPTA was able to provide PTA meetings and trainings with featured speakers, parent coffee's in collaboration with other PTA's and family nights. We hope to expand our outreach and advocacy work in the new school year with your support.

#### Henningsgaard Memorial Membership Scholarship Fund

The Henningsgaard Memorial Membership Scholarship Fund has been named in memory of Bill and Max Henningsgaard. Bill Henningsgaard supported the work of the Bellevue Special Needs PTA and invited our organization to partner in his work at Eastside Pathways. It is the wish of the BSNPTA Board of Directors to honor his dedication to all children and families in our community through this scholarship fund.
